THEME.... As our theme we have chosen a "stairway," each landing representing a year of high school. In this Olmos we climb the stairs through the days of work and play at Alamo Heights. As time passes, you will want a book that will enable you to think back on the unforgettable past. May this Olmos help you to relive in its pages those happy yesterdays.

FOREWORD

Looking back on our high school days, we shall remember the varied events, the friends and acquaintances we have made, and the impressions we have received. All these components of our school environment may be easily brought to mind at this time. To each of us something different will stand out – the football games, the dances, the work we should have done, graduation. In the future, however, we shall want a tangible memorial to help us recall these experiences. With this thought in mind, we present the 1954 Olmos. Not everything could be included, but the highlights are here. It is our hope that it will be these highlights which will make your memory of Alamo Heights forever vivid.

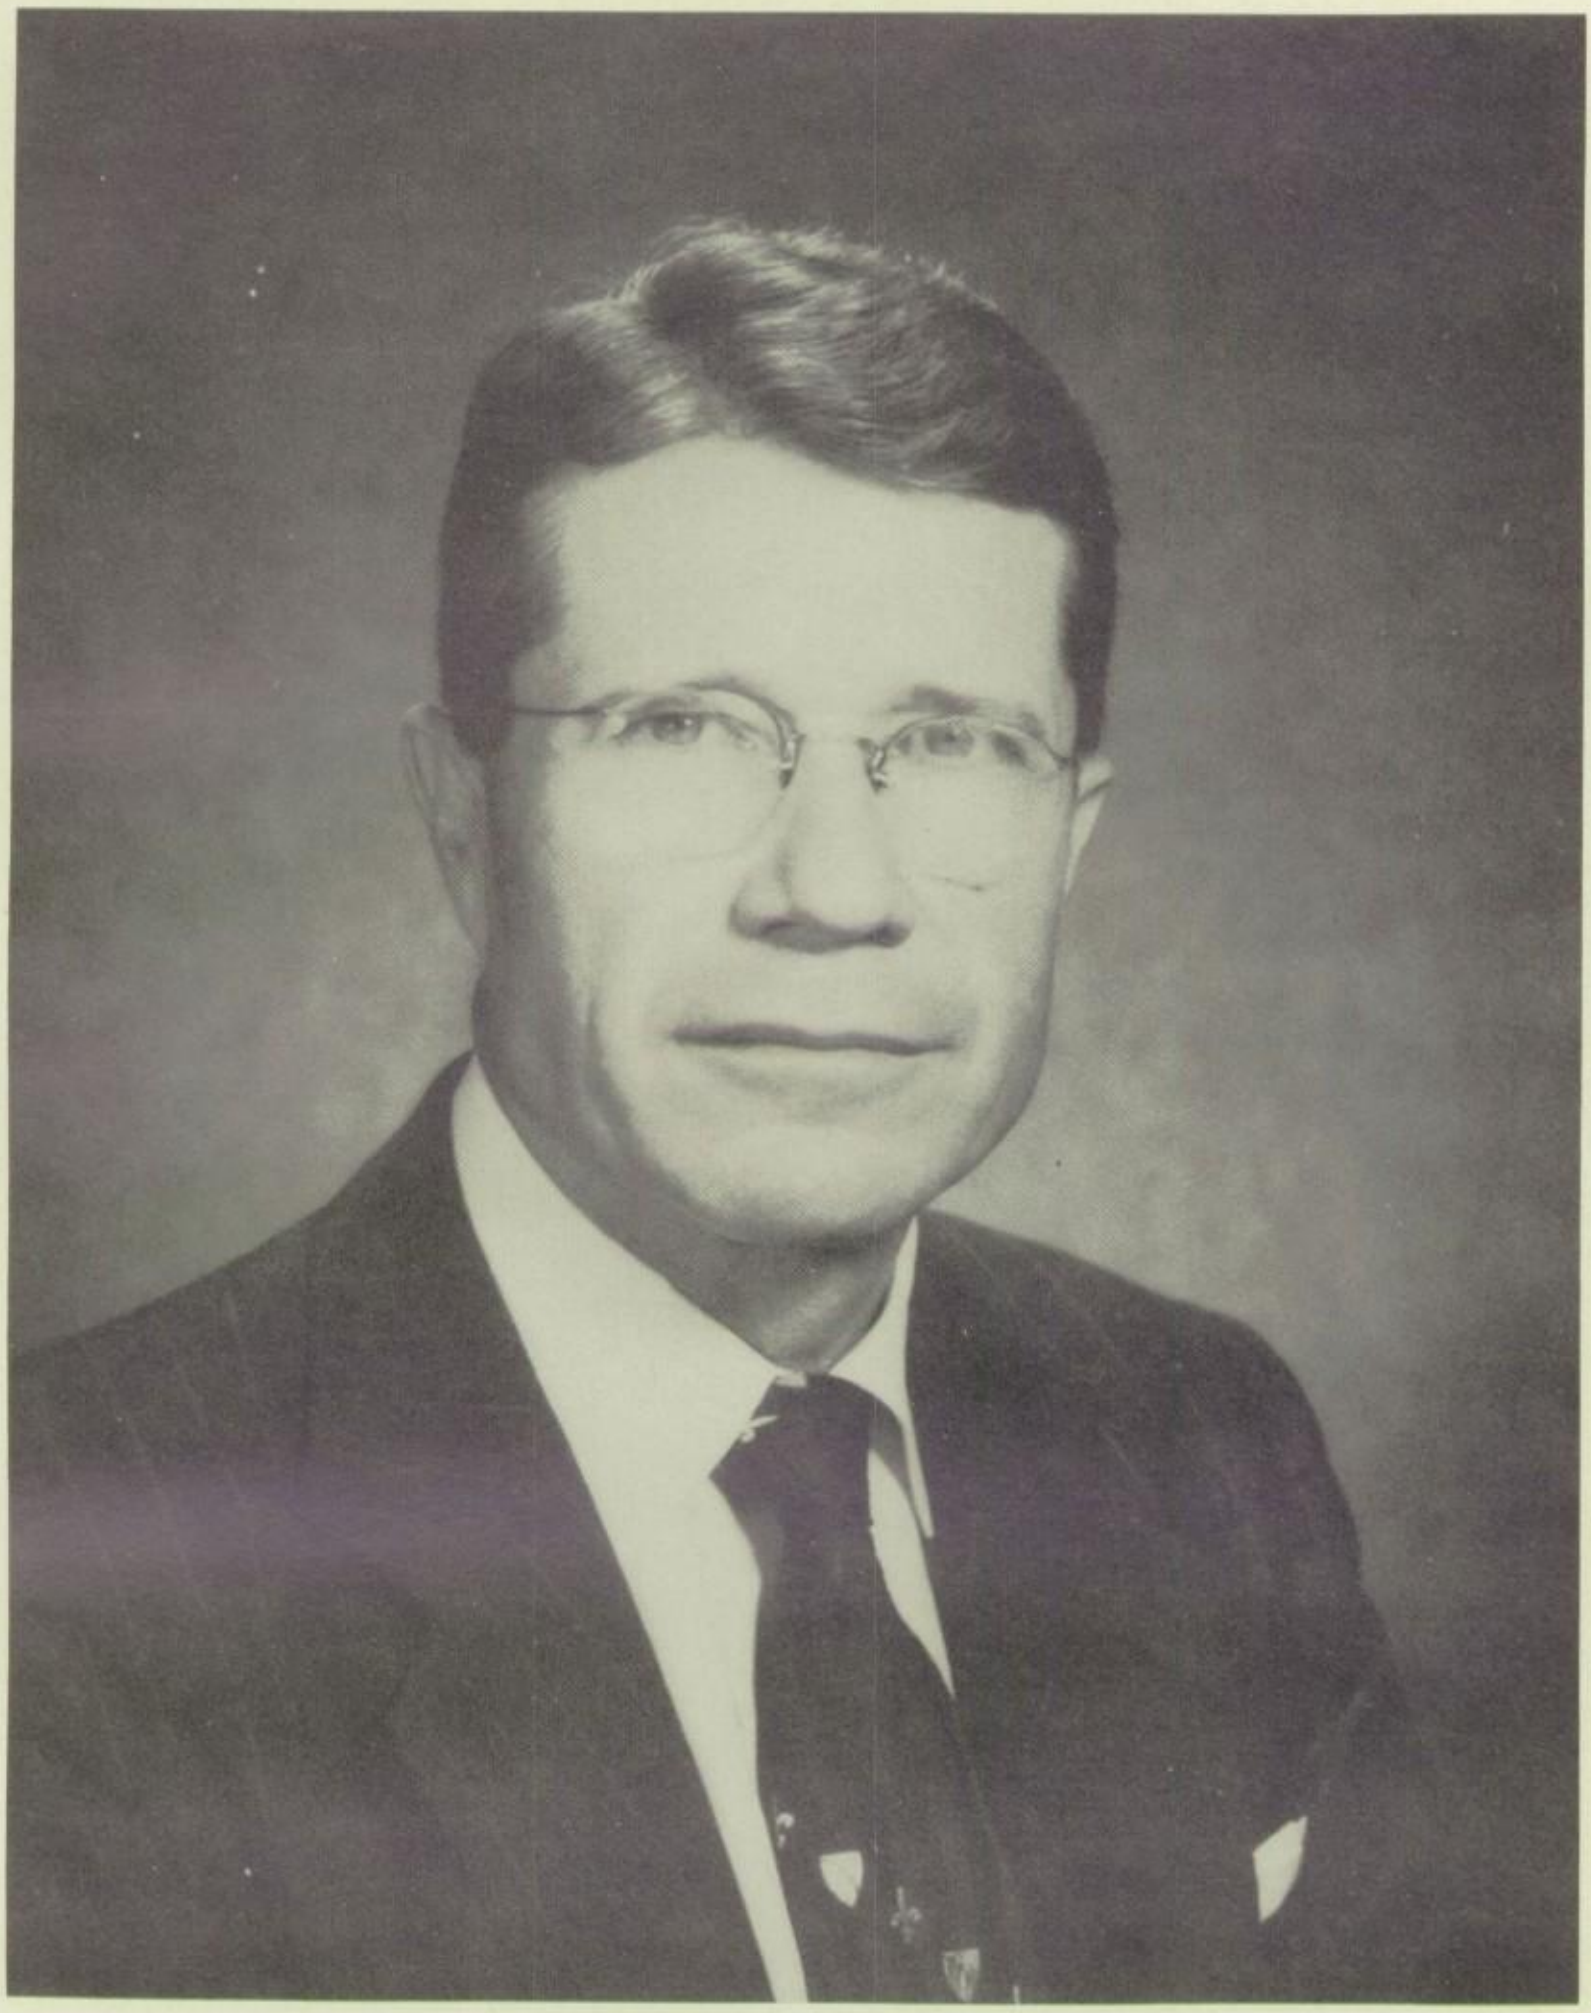
Many outstanding projects were successfully completed this year under the able leadership of the Alamo Heights Board of Trustees. Besides the provision of new equipment for the high school gymnasium, their various activities included the completion of the new Woodridge Elementary school and improvements for the Cambridge elementary and junior schools. As evidence of their interest in current educational policies, the board sent delegates to the national convention in Miami, Florida, last summer, and to the state convention in Dallas in November.



MR. EDWARD T. ROBBINS, Superintendent of Schools

University of Texas, B.B.A.
Texas A & M, M.S.

Mr. Robbins is certainly one of the busiest men in the school administration! At the present time he is serving as the president of Phi Delta Kappa, honorary educational fraternity. But not all of his time is taken up with the educational system, for he finds pleasure in hunting, fishing, gardening, and reading; also, you can find him in the basketball or football stands during games.

Our genial superintendent is an asset to Alamo Heights, for his friendliness and conscientiousness have won him the hearts of those who have known him for many years or for just a short time.

MR. VIRGIL D. CURRIN, Principal

Southeastern State College, B.S.
Southwest Texas State Teachers College, M.A.

A cheerful manner, understanding, never-failing enthusiasm, and sincere interest in all school sports and activities characterize our principal. His many hobbies include traveling, collecting Indian arrowheads, painting, and reserve military work.

Every student of Alamo Heights will always remember Mr. Currin's untiring efforts in behalf of their interests.

MR. EVERETT HART, Vice-Principal

East Texas State Teachers College, B.S.
Texas University, M.Ed.

A warm smile and a hello for all radiate from Mr. Hart. Whether in his office or in the school halls, he is willing to stop and talk to a student or teacher. He is an avid fan of all the athletic events. When he is not rooting for the team, he is practicing his hobby of gardening.

The quotation "Patience hath its reward" is indeed applicable to Mr. Hart with his endless task of changing schedules and balancing classes. It is our hope that Mr. Hart will receive his reward in seeing the students of Alamo Heights measure up to his high ideals.

SENIOR CLASS OFFICERS

Senior Class:

From the first day this senior class entered high school, all members have proved themselves worthy individuals striving to succeed in all phases of high school life. Looking down the stairway at the past, they see many incidents which stand out in their minds and hearts. Their freshman year was a special one, for they entered a brand new high school. Each year they grew in spirit with their school, holding their heads high with pride. As juniors they worked hard selling magazines to perfect a memorable prom for the graduating seniors. Now, as seniors, they have reached the top of the stairway. Under the capable leadership of their president, Donald Harrell, the class has maintained a long list of achievements which will long be remembered by all who follow them up the flight of stairs.

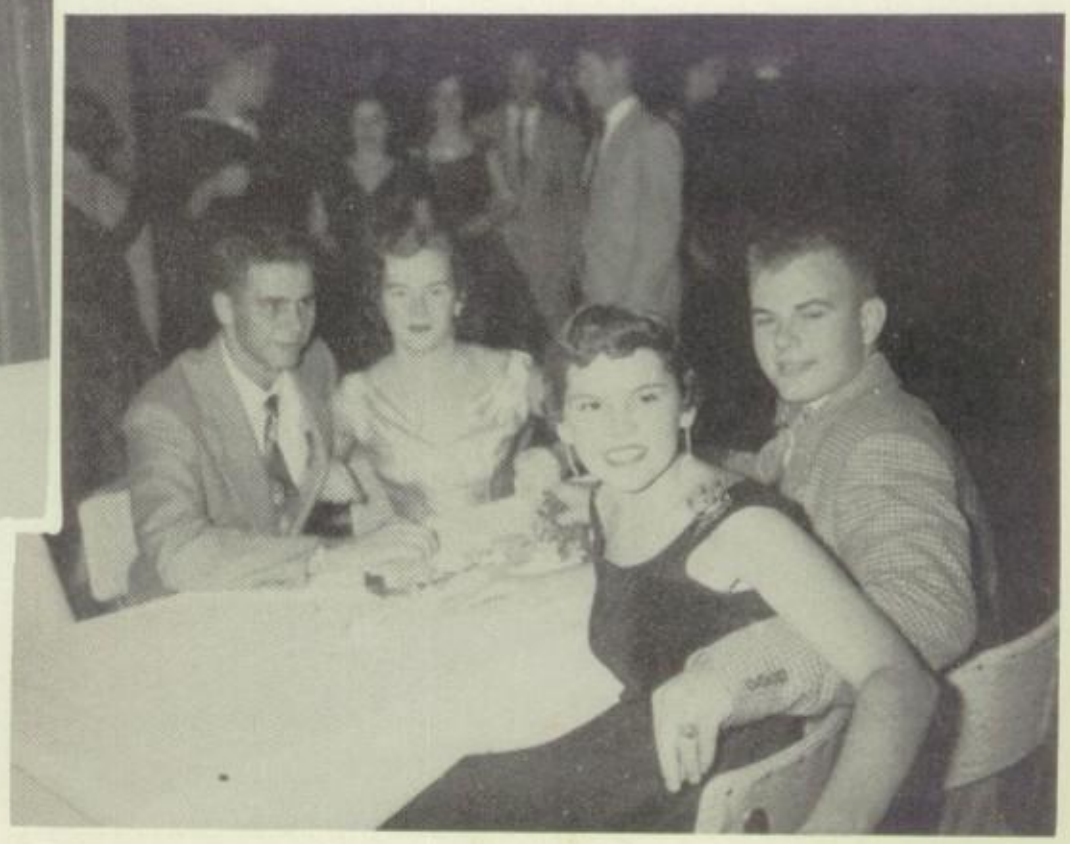
A Mule bonfire warms spirits in a pre-football game pep rally.

Two "Mary's," Janie, and a Jim make up a nice practice choral quartette.

Fuz, Ed, and Doug do their best at selling cold drinks for the "A" Club.

Ernest, alias Groucho, commentates during a Spanish Club program, while assistant Stannus looks on.



Everybody has fun at the Christmas party.

Hudson and Dolan, Mule captains, await the flip of the coin before the Harlandale game.

A Tech defender and Bill Dolan leap in the air to snag a long pass.

The 1953 football season was the most successful one in years. The Mules won six games and lost four.

In the first game of the season the Mules rolled over the Tech Buffs in a 14-0 victory for the Mules. Olmstead made the season's first touchdown.

Next the Mules met Lockhart on our home field and smashed them in a 19-7 victory.

Then the Mules met Lanier in their first district clash. The Mules came out on top of a 21-0 score for their third consecutive victory.

Burbank furnished the opposition in the second district game. They moved into an early lead, but the Mules countered strongly and edged the Bulldogs in a 14-6 victory.

Ed Olmstead smashes through the line for an eight yard gain.

The Mules were one of the six undefeated Class AAA teams in the state with 4 straight victories.

Victoria was next on the 1953 schedule, the game being played in Victoria. The Mules led in the fourth quarter 7-6; but Victoria edged a hard fighting Heights team 26-7, giving the Mules their first defeat of the season.

"Who's got the ball?" is the question in the minds of the Mules and the Victoria Stingarees.

The next week the Mules sprang back to whip the Seguin Matadors in a 13-0 victory.

Kerrville came next. In this game the Mules racked up the most imposing score of the year. In this gridiron clash the Antlers fell in defeat to the Mules to the tune of a 32-6 score. Johnny Wilhelmy, who took over the quarterback spot for Schmidt, was outstanding in this game.

The game played against New Braunfels was perhaps the most heart-breaking of the year. This game, played on a very muddy field, resulted in a score of 6-0 in favor of New Braunfels. The Mules played brilliantly but were unable to score on their slippery opponents.

The Mules probably played their best game against the champion, Edison; however they were defeated 42-24, in a hard fought game.

The next week the Mules met the hard fighting Indians. Dolan caught a pass from Schmidt and scampered 57 yards for a Mule tally. This was a very hard contested game but the Mules fell in defeat 39-13.

With district competition stiffening, the Mules moved to Victoria, where they lost their first district game. This meant that Heights could not afford to lose to fast moving Harlandale. The quintet went to the Houston Tournament where they did fairly well. They came home to win sound victories in conference play. The season was almost at a close. Heights had to win two out of its last three games to win the title, and the competition was stiff. In a nip-and-tuck battle the Mules beat Lanier, then came through to beat Edison and cinch the title. Playing the McAllen Bulldogs of 8-AAA for the bi-district, Heights had lots of opposition. Corner's boys closely beat them here, then moved to McAllen to win the two out of three series. The Mules were on their way to "state."

SUMMARY

Tommy Foitik started the season right by winning the singles crown at the high school tournament in Brownsville on January 27-29. On February 12-13 Foitik, Fred Kline, and Gene Tuttle journeyed to the Falfurrias Hearts Delight Tournament. Tuttle-Kline got a rough draw and lost in their first doubles match. Tommy went to the semi-finals, where he lost in a hard fought match. Uvalde was next on the netters' list, where Tommy won the singles crown; and the doubles team of Tuttle-Bray was defeated in the finals. The Sevenoaks Invitational Tournament found Tommy losing in the finals after defeating the top player in the semis. Tuttle-Bray lost in the quarter finals to the team that later won the doubles crown. The fine showing of both the girls' and boys' squads resulted in Alamo Heights' winning the Team Trophy at the Sevenoaks Tournament.

Established 1834

Dear Edna, we have really had a swell time this year at school. Even though we haven't had any classes together since about two years ago I still remember the good times we had. Stay the same sweet, kind, and thoughtful personality always and you will always be sparkling and pretty! Love always, Patty C.

H. B. Zachry Co.

Dear Edna,

We've had a lot of fun this year, let's have twice as much next year. I know you'll always succeed because you're such a grand girl.

as always,

Thilla
